5<sup>th</sup> October 2018

Dear Parent / Carer,

### Changes to the Governing Body, Longparish C E Primary School

I am writing to update you on some changes to our Governing Body, following a meeting on 25th September 2018.

First of all, after eight years of service, Nick Marsden has resigned from his role of Chair of the Governing Body. On behalf of the whole school community, I would like to say a huge thank you to Nick for everything he has done for the school during this time, from leading the school through successful Ofsted and SIAMS inspections in 2014 to the more recent recruitment of our head teacher. I am sure you will all join me in wishing him the best for the future.

I am also writing to let you know that, having been a Governor for the last five years, I have been elected to succeed Nick as Chair of our Governing Body. I will be working with our newly elected Vice Chair, Sarah Jarman, and our Committee Chairs, Tim Sweet, Karen Morrison and Graeme Johnson. For a complete list of the Governing Body membership and roles, please see below.

The role of the Governing Body is to provide strategic management of the school and to act as a 'critical friend', supporting the work of the Head Teacher and other staff. We are committed to achieving the highest standards of education, as well as providing the children with a broad, balanced and inspirational curriculum. We work together as a team and I am looking forward to the exciting year ahead.

Of course, should you wish to get in touch, please do, either directly or via the School Office as your feedback is very valuable to us. The governors are in school on a regular basis and those of us with children at the school, are often around during drop off and pick up times. We will also be present at Parents' evenings and other school events.

Wishing you all the very best and every success for the academic year. I look forward to catching up with or meeting you all soon.

Kind regards,  
**Ingrid Sanderson**  
**Chair of Governors**
