12th January 2018

Dear Parents

I am pleased to write with details of the extra-curricular clubs that are being offered this term. There are a maximum number of places available for all clubs, most of which were over-subscribed last year, we are therefore asking you again to identify 1st, 2nd, 3rd and 4th choices in order to try to ensure that all children are able to take part in at least one club. If necessary, French, Lego and Knitting Club membership will change half way through the term due to there being a maximum of 15 places.

Please return all club applications by **Wednesday 17th January** and see details below for start dates and timings for each club. We will notify parents of children allocated places in each club by Friday 19th January and run waiting lists for over-subscribed clubs; if you don't receive a text regarding a requested club, please assume that your child's name has been placed on the waiting list.

Triathlon Club is in preparation for the Andover Triathlon in which children will take part in July 2018 and will be for Years 4 to 6. The club focuses on cross country running during the autumn and spring terms, with the cycling and swimming disciplines added gradually during the summer term. Due to the statutory pupil/adult ratio, there are a maximum of 20 places for this club, as the children run off site. As mentioned in September, this club is only open for this term's re-enrolment for children that participated last term.

The vast majority of clubs are run voluntarily and I would like to thank all those who give generously of both their time and expertise in order to provide them.

Yours sincerely

Trudie Cawthra
