19th April 2018

Dear Parents

I am pleased to write with details of the extra-curricular clubs that are being offered this term. There are a maximum number of places available for all clubs, most of which were over-subscribed last term, we are therefore asking you again to identify 1st, 2nd, 3rd and 4th choices in order to try to ensure that all children are able to take part in at least one club. If necessary, French, Lego and Knitting Club membership will change after five weeks due to there being a maximum of 15 places.

Please return all club applications by **Wednesday 25th April** and see overleaf for start dates and timings for each club. We will notify parents of children allocated places in each club by **Friday 27th April** and run waiting lists for over-subscribed clubs; if you don't receive a text regarding a requested club, please assume that your child's name has been placed on the waiting list.

Triathlon Club is in preparation for the Andover Triathlon in which children will take part in July 2018 and will be for Years 4 to 6. The club focuses on cross country running during the autumn and spring terms, with the cycling and swimming disciplines added gradually during the summer term. Due to the statutory pupil/adult ratio, there are a maximum of 20 places for this club, as the children run off site. As mentioned in September, this club is only open for this term's re-enrolment for children that participated last term.

Running club – optional Yr 3 -6 only. During the summer term, I like to hold a running club for *those children who enjoy jogging/running*. This starts at 8.10am, and finishes about 8.40am. Please can the children wear simple running kit and trainers. They may wish to bring a water bottle. Please ensure their school uniform is in another bag ready for them to change into when running club is finished. I encourage the children to 'sign in' on a clip board when they arrive. Then we run round the field together and generally try to get fit! This has worked well in the past. The children run at their own rate and we encourage children to help and support each other. Sometimes we also participate in keep fit activities. If the weather is wet/windy/unpleasant, we will hold the club in the hall and do keep fit activities. We finish at 8.40am so children have plenty of time to change into their school uniform ready for lining up in the playground at 8.55am. If I am out of school on a Tuesday or a Thursday I will notify parents the night before via our texting system.

The vast majority of clubs are run voluntarily and I would like to thank all those who give generously of both their time and expertise in order to provide them.

Yours sincerely

Trudie Cawthra
